

WOULD YOU LIKE TO BE A SCHOOL NURSE? WE NEED YOU!

If you are a REGISTERED NURSE who would enjoy the challenge of working with children in local schools, please contact us. We have relief and possible full-time positions available for the coming school year.

You should be caring, compassionate, and able to function independently. You will provide nursing services to students in school, perform health assessments, maintain student health plans, and provide health education.

A full-time schedule is 35 hours per week; relief nurses work as needed. You will be off when students are off—no work on holidays, bad weather days, or summer vacations! No struggling to find childcare for your own children!

These are contractual positions. You must have a current Maryland RN license to apply. And, of course, you should be able to relate in a positive fashion to children and adolescents.

If you think you are the nurse for us, complete an MS-100 Maryland State Employment application* and send a copy of your RN license and three professional references to:

Office of Human Resources-School Nurse
Allegany County Health Department
P.O. Box 1745
Cumberland, MD 21501

*For MS-100 employment application, see health department receptionist or Human Resources staff.

Applications will be accepted until suitable candidates are located
